# THE FORTRESS STORY

## Fortress was established in 2002.

Since 2002, Fortress has built a prestigious portfolio of major projects across Mauritius and the Indian Ocean, including office blocks, commercial centres, luxury residences, hotels, restaurants, hospitals and more.

Fortress provides a comprehensive range of services covering design, project management, implementation, installation and after-sales service support.

Driven by a highly motivated, passionate and dedicated team, Fortress has become a leading supplier and service provider in Air Conditioning, Fire Protection, Plumbing and Ventilation solutions, as well as in the supply and installation of Commercial Kitchen Equipment and Premium Domestic Appliances.

A key competitive advantage that sets Fortress apart is its excellence-driven after-sales service department and the management total commitment towards customer’s satisfaction. With an extensive stock of spare parts and a team offering professional support and expert advice, Fortress ensures timely maintenance and repair services. This allows customers to keep their operations running smoothly and with complete peace of mind.

At Fortress, we are committed to delivering reliable and sustainable solutions to our clients’ needs—regardless of complexity. We do not view challenges as limitations, but as opportunities to innovate and resolve.

More than a supplier or service provider, Fortress operates with a solution-driven mindset. Whatever the technical challenge or operational issue our clients face, we dedicate our expertise and resources to identifying solutions that are effective, resilient, and built to last.
